Terobosan Dalam Kualitas Pendidikan dan Pelatihan Kejuruan Pendidikan Te

Group 2: Involvement of Business Community

- Lack of legal framework and awareness
- NOSS is national specific
- Diverse terminology=>confusing
- Thus “Translation language” for comparability & recognition is necessary

Group 2: Involvement of Business Community

- **Converting NOSS into company OSS, especially for SME shall be supported**
- **Incentive system is to be created & maintain**
- **Capacity building for methodologist & manager for creation of national capacity**
